

# K. JENNINGS & ASSOCIATES

## Business Consulting & Advisory

KJA is your comprehensive business and marketing concierge, with a track record of building business growth exponentially. We work closely with each client and their unique business needs to define a plan of action that resolves pain points, improves processes, and creates a long-term, tangible path towards success.

## Client Partners

"Kiisha Jennings is nothing short of a blessing to any business she connects with."

"A connector and innovator with a kind heart for small business owners."

"Knowledgeable, professional, and dependable."

## Services

### Workflow and Process

KJA helps you streamline outdated processes by removing obstacles, establishing procedures, and automating workflows.

### Business Planning and Development

Know where you're going with growth-oriented strategy, informed business planning, and effective business development.

### Client Relations

Maintain service excellence across diverse needs with improved outreach, processes, and client relations.

### Marketing and Brand Building

Create or refine your brand identity, establish an online presence, and develop your communications and marketing strategies.

### Workshops & Speaking

Gain an expert's input with speaking engagements, community workshops and seminars, and event support.
